# PRESIDENT'S WELCOME

Welcome to Corio Little Athletics for the 2017/18 season.

To all returning and new members, we welcome you to our Centre and hope you have a fantastic and enjoyable season. It is important to me that everyone at Corio LAC enjoys their time with us, so if there is anything anyone ever wants to discuss, I encourage you to come and see me.

This season marks another chapter in the history of our centre as we begin our second half century. A big thank you must go to all the executive, members and volunteers that helped to celebrate our 50<sup>th</sup> anniversary last season – it was a huge milestone.

At Corio LAC, we are always focusing on the encouragement of all athletes in giving it THEIR best and more importantly to 'HAVE FUN'.

Our fantastic volunteers mean everything to us – without them we couldn't run our programs allowing the kids to achieve their goals. So in saying that, Thank you; it makes everyone's job a lot easier when people get in and are prepared to help rather than sit back and criticize that things should be done better. We always have room for more volunteers and helpers!

If you have any feedback as to how we can improve, please come and see me as we are open to all ideas.

Please join our Facebook group for up to date events, photos, videos, and general information relevant to our Centre and Athletes. Our Facebook group is a closed group.

Have a wonderful season and let's make it a memorable one.

**“GO TEAM CORIO”**

Regards,  
Simon Hill

# WORKING WITH CHILDREN CHECK

 <p>Working with Children Check</p>	<p>The Victorian Government through the Department of Justice has introduced the “Working with Children Act 2005,” which has distinct implications on the conduct of Little Athletics.</p>
--	--

The WWC Check applies to adults who work with children or are engaged in volunteer roles involving children (under 18 years of age). The WWC Check applicable in Victoria is the mandatory minimum standard for a range of child-related industries. The WWC Check now covers all areas of administration, officiating, coaching and overnight supervision at camps and clinics. People working or volunteering in connection with Little Athletics are now required to have their WWC Check, if they fall into one of the categories below.

- Region Executive Committee members
- Centre Executive Committee members
- Club Executive Committee members
- Coaches
- Officials at State and Region level – (not parent helpers whose child/ren is/are participating on the day)
- Centre Chiefs
- Team Managers
- Officials at Centre
- Volunteers without children registered at the Centre
- Overnight Supervisors at camps/clinics/functions
- First Aid Personnel
- Volunteers at Association run activities, (not Centre events).

**Parents**, who have a child registered at the Centre where they work or volunteer, are **exempt** from the WWC Check, unless they fall under one of the categories listed above.

Please refer to the LAVic website for the full policy details of WWCC.

**Remember, we are all volunteers.  
It is important we all accept a share of the  
responsibility involved in running a successful  
program for our children.**

### **ACTIVE MEMBER**

*Are you an active member, the kind that would be missed?  
 Or are you just contented that your name is on the list?  
 Do you attend the meetings and mingle with the flock?  
 Or do you meet in private and criticise and knock?  
 Do you take an active part to help the work along?  
 Or are you satisfied to be the kind who must belong?  
 Do you work on the committees, to this there is no trick,  
 Or leave the work to just a few, then talk about the clique?  
 Please go to meetings often,  
 And help with hand and heart,  
 Don't be just a member, but take an active part,  
 Think this over members, you know what's right from wrong.*

**ARE YOU AN ACTIVE MEMBER OR DO YOU JUST BELONG?**

# RULES OF THE COMPETITION

**NO-ONE IS ALLOWED TO CROSS THE INFIELD TO MARSHALL  
FOR ANY EVENT IN THE BACK STRAIGHT.**

**YOU MUST WALK AROUND THE OUTSIDE OF THE TRACK.**

1. For TRACK events all competitors must report to the Starters Marshall and for FIELD events report to the Chief Official at designated venue.
2. Each competitor **must** be dressed in the correct club uniform with the current chest tag firmly attached by pinning it in the correct position. Competitors will be refused competition if all factors of this rule are not observed. If directed by LAVic, a sponsorship logo shall be attached to the front of the club uniform.
3. Coaching of competitors from the in-field is prohibited and could result in the disqualification of athletes.
4. When an event is being conducted on the in-field, only athletes actually competing in the event will be allowed onto the arena.
5. All adults, other than those officiating and non-competitive athletes, are excluded from crossing the front straight and entering the in-field now that Javelin is an official event. Athletes and children are **NOT PERMITTED** on or around the Timekeeper or the finish line. The Centre will not be responsible for any injuries or accidents occurring in these areas.
6. Competitors may leave a field event to compete in a track event with the permission of the official in charge, but must resume the event at the stage the event has reached during their absence.
7. In the event of misconduct of competitors, the Chief Official shall recommend disqualification to the Executive member/s, who will report immediately to the Team Manager, any disqualification or disciplinary action to be taken.
8.
  - a) At least three timing mechanisms are to be used for 1<sup>st</sup> place on back-straight events. No records will be recognised if this rule is not adhered to.
  - b) Fully electronic timing mechanisms will be used for 1<sup>st</sup> place on front and back straight with additional hand held watches.
  - c) To claim a field event record an athlete must win that event, and the measurement must be sighted and verified by an Executive member. Measurement should preferably be made with a steel tape.
  - d) Race walk records
    - There must be a minimum of four (4) qualified “D” grade or higher walk judges officiate the event.
    - As the leading athlete/s are finishing the event, there must be a minimum of two (2) walk judges in the vicinity of the finish line (i.e., approximately the last 50 metres) with the designated chief walk judge positioned at the finish line.

# RULES OF THE COMPETITION

d) Race walk records...continued

- Timing mechanisms as per clause 8a.
- No records will be recognised if the above is not adhered to.

9. Proof of age for registration to be verified and signed by any Club President, Secretary or Treasurer.
10. For an athlete to **TRANSFER** from one club to another during the season, the parent must forward a request to both clubs involved and to the Executive Council, explaining valid reasons for transfer. Both clubs are to discuss the request, with decisions being forwarded in writing to the Centre Secretary. The Executive will then decide the granting or refusal of the transfer.

Prior to the re-registration for the new season, previously registered children may transfer from one club to another without a clearance provided that the parent advise both clubs concerned in writing. This is a LAV ruling.

11. Competitors may score Inter-club and/or personal points only while competing in their true age group. Points are scored from the date of registration.
12. a) To be eligible to compete in the Centre Championships an athlete must compete in 50% of available point scoring days of which one (1) must be competed in after Christmas.  
b) To be eligible to compete in the Region Track & Field an athlete must have participated in a minimum of four (4) weeks of Centre competition prior to close of entries as determined by the Association.  
c) If the required number of days is not completed due to illness or injury, a doctor's certificate will be required as proof.

(U13-16 are also permitted to wear spikes in all track events except race walks as per LAV regulations). Appropriate footwear is to be worn at all times. No bare feet allowed.
14. Starting blocks must be used for all athletes U12 – U16 wearing spikes. Spikes are allowable for age groups U11-U16, for all laned events up to 400m. U11 cannot use starting blocks for any events. Athletes can use starting blocks provided by the centre and will not be allowed to hold up the program for more than 1 minute.

15. A crouch start shall be used by all athletes in the U12 - U16 age groups, (boys and girls), for all track events up to and including the 400 metres, except where permanent/temporary disability reasons require otherwise. U11's must use a standing start in all events.
16. A local rule for Triple Jump is that in not making the pit on the first trial, an athlete will be allowed to go back and redo run-up or alter take-off point. Once this is done to the satisfaction of the athlete and a successful trial completed, if on a subsequent trial the athlete fails to make the pit, the trial shall be deemed a no jump.
17. A local rule concerning shot put and discus is that all athletes must enter the ring from the back of the ring, not the front.
18. A Corio Centre record broken at another Centre becomes a Corio Centre Outside Record. However, once an outside record has been established for any event (as listed in this handbook as a Corio Centre Outside Record), then that record needs to be broken to claim a new outside record for that event. Your performance must be signed by an official at the event. Present your claim to Records & Rankings with verification.

# CODES OF BEHAVIOUR

## COACHES

- Be reasonable in your demands on young athletes' time, energy and enthusiasm.
- Teach athletes the rules of the sport are mutual agreements which no one should evade or break.
- Whenever possible, group athletes to give a reasonable chance of success.
- Avoid over-coaching the better performing athletes; the "just average" athletes need and deserve equal time.
- Ensure any physical contact with athletes is appropriate to the situation and necessary for the athlete's skills development.
- Avoid situations with your athletes that could be construed as compromising.
- Remember that children participate for fun and enjoyment and that winning is only part of their motivation. Never ridicule or yell at the children for making mistakes or losing an event.
- Ensure that equipment and facilities meet safety standards and are appropriate to the age and ability of the athletes.
- Take into consideration the maturity level of the children when scheduling and determining the length of training times and competition.
- Coaches should never solicit, whether overtly or covertly, or by actively recruiting athletes who are already being coached to join their squad.
- Develop respect for the ability of opponents as well as for the judgement of officials and coaches.
- Follow the advice of a physician when determining when an injured athlete is ready to recommence training or competition.

## COACHES continued

- Make a personal commitment to keep yourself informed of sound coaching principals of growth and development of children.
- Demonstrate appropriate social behaviour, by not harassing athletes, coaches or officials, smoking on the arena or being intoxicated.
- Not publicly criticise or disagree with the work of other coaches.
- Hold a current Working with Children check.
- Avoid use of bad language.

## LITTLE ATHLETES

- Play by the rules.
- Never argue with an official. If you disagree, ask your Team Manager to deal with the matter.
- Control your temper. Verbal abuse of officials or other athletes, deliberately distracting or provoking an opponent is not acceptable or permitted in our sport.
- Work equally hard for yourself and/or your Centre/Club. Your Centre/Club's performance will benefit.
- Be a good sport. Applaud all good results whether they be by your Centre/Club, opponent or the other Centre/Club.
- Treat all athletes as you would like to be treated. Do not interfere with, bully or take unfair advantage of another athlete.
- Co-operate with your coach, club mates and other participants. Without them there would be no competition.
- Participate in Little Athletics for the "fun of it" and not just to please parents and coaches.
- Avoid use of bad language.

## **Victorian Best Performances – Standardisation of Hand Times and Fully Automatic Times**

A motion was approved at the Little Athletics Australia October 2013 Conference to consolidate ABP (Australian Best performances) and ABPe's in order to tidy up Best Performances and create one system for documenting these. There were two sets of records being kept at the time – one for manual times (ABP) and one for Fully Automatic times (ABPe)

To align to this LAA rule change, LAVic has also changed the following Rule in relation to VBP's.

### Rule 260.2 (viii):

For hand time performances, the performance will be rounded to 0.1 seconds and then standardised to align to a fully automatic time as follows:

- Distances under 400m: + 0.24 seconds
- Distances of 400m or 4x100m relay: + 0.14 seconds
- Distances greater than 400m: No change
- a standardised time will be indicated with (S) or similar

Note: As of August 2014 all existing VBP Track performances will be standardised using the formulas in Rule 260 (c) (vii) and whichever of the standardised hand time or FAT time performance is lower will be declared the VBP.

The LAVic Competition Committee has reviewed all current VBP's up to and including the 2013/14 Track & Field Championships. All manually listed performances were rounded to 0.1sec and then had the appropriate adjustment added. Whichever of the standardised or fully automatic time was lower (faster) is now listed as the VBP. All previous records will not be listed, and have been archived.

Skills coaching at Corio is an optional extra that we are able to offer due to the kindness of our coaches who give their time on a voluntary basis – they do so to help children improve their athletic skills and abilities.

Generally, the coaches are happy to accept the assistance of parents who are watching their children train and practise – things like fetching the discus, raking the sand, etc., help things proceed smoothly – so parents, jump in and lend a hand where you can.

## **Corio Athletics Club**

Yes, there is a Corio Club to join to continue your Athletics Career.

The step from Little Aths to Senior's might seem like a big one, but there's not much difference. Come on down to Landy Field on Saturday afternoons and compete in a fun and relaxed atmosphere.

Athletes currently registered with Little Aths can join a senior club once you have reached the age of 12, and compete for a small registration fee, plus a weekly competition fee.

Any athletes wishing to compete at senior level, for general enquiries talk to Lou Mirarchi; he is often available at the Corio Centre on Saturday mornings, and would be happy to answer any questions.
